

Dennis David Nowak

November 17, 1950 - November 12, 2021

Our beloved Father, Husband and Grandfather passed away unexpectedly on November 12, 2021, only five days before his 71st birthday. The most important part of his life was his love for our Savior and Lord, Jesus Christ and for his family. Throughout his life he made many sacrifices for both, leaving a legacy of love which was clearly understood and felt by all.

Dennis was born and grew up in Buffalo, NY. He moved to Florida in the early 1970's to further his career as a Respiratory Therapist. There, in 1983 he met his wife, Julie, who was divorced with four very young children.

He was smitten with Julie and loved the children as his own, and they loved him. We became a strong, loving family with him as the man who was always there for us, and put us first. During this sad time of loss, as the children were speaking of their Dad, one said "He is the best Dad ever!" They all agreed. Then another said, "Agreed... and he actually chose to be our Dad."

He is predeceased by his parents, Casimer and Clara Nowak, and his brother, Randy Nowak.

He is survived by his wife, Julie, his four children and their spouses: Wendy and Jason Parker, Brett and Amy Ricks, Vaun and Stephanie Ricks, and Sandy Galdamez and Brad MacLaury. Also, his grandchildren: Alice Faye and David Parker; Adam, Dowlin, Lily and Isabel Ricks; Allison, Jared, Emily, Alejandra, Sophia, and Daniella; Alexzandria, and his great granddaughter, Laynie. He is survived by his older brother, Bob Nowak.

We are grateful for the help, kindness, and love received from our family and

friends.

“ I had the honor of working with Dennis in Marion, S.C. I was able to learn so much from him. He was always willing to teach and put the care of his patients above all else. Dennis will truly be missed

“ Dennis has always been a very good friend. He never spoke ill of others, and always had a positive outlook. I'll never forget when Dennis and I were chaperones for girls at girls camp many years ago. We both slept under the stars and he never complained. I've always enjoyed his company, his good humor and his love he had for his family and the Lord. We will miss you dear friend, but I will NEVER forget you. God is with you and He is with your family. God bless, we will meet again someday,
