“ I am so heartbroken. I don't know how to go thru the day yet because I was so used to saying "I gotta call Des and tell her about This!". She's been there since Furman in our lives as a constant steady presence of love, humor, wisdom, and guidance. She's been the older sister I never had and the truest friend anyone could be blessed with. She loved her family and friends so much and taught me how to love and show love when my own family had not taught me. She shared stories of Mamita and sisters and cousins and prayer requests and thoughts and wisdom and I found myself praying often for this extended web of family and friends and wishing we lived closer again. To all her family I love you all and thank you for shaping and sharing this wonderful woman who brought so much light and joy to others. I'm so very very sorry.

“ So sorry for the Johnson Family's loss. I got to know Desiree when Jacob was in kindergarten and I was the assistant to his teacher. Desiree and I became friends and had many conversations about our shared interest. Jacob I am praying for you as I know looseing your mom will be an adjustment.

“ *Desiree I can not begin to put to words how much you were loved and are missed. You were such a strong woman. You never gave up in your journey to stand tall and recover. I never heard you say " why me", only instead you said "maybe the Lord is using me to show someone else they can handle what our Lord gives us". I miss you so much and will always cherish the memories we were gifted to make together. I love you and will see you one day.*
