“ Jack and Shannon, I am so very sorry about the loss of your mother. I have lost a dear friend of over 40 yrs. We have shared many private thoughts in joy and in sadness. She will be remembered as a precious mother and dear sister in Christ in the church and the community. We will remember her with a heart of respect and love. She is safe with the Lord. He was not surprised or shaken by her death. He is sovreign in all things in the lives of His dear children. The bible tells us that precious in the sight of the Lord is the death of His saints. Diane and I had talked recently about this and we agreed together. Trust God in His great love and wisdom to strengthen your hearts in the days and months ahead. We will remember you in prayer. Please call on us if we can help you in any way.

“ Jack and Shannon, I join you in your grief at the loss of your precious mother. My deepest sympathy at this sad time, may each of you be comforted by the memories of her. I love her alot and always held her in high respect. I am not going to say goodbye, only goodnight until we meet again. I am here for you and Jack if either of you ever need me, just the way she was there for me when I needed someone. May God bless and comfort you always...##imported-begin##Kathy Browder##imported-end##
