“ Dear Gina and Brian, my family and I are so sorry to hear your sweet mother has passed away. She was always so sweet and friendly to us although we didn't get to visit very often as adults. We did not hear about her death until after the funeral and that is why none of us came. Please know that you all are in our prayers as you go through this sad, sad time and I hope you find some peace in knowing that she is now with our Lord and your sweet daddy.

“ Dearest Gina,
I know we haven't had contact for a while but always know that you have for many years been one of the closest friends I have known and when I learned of your mother's passing I was overwhelmed. The only peace I could find in all of this is to know that she and your Dad will finally be together once again. I miss our friendship which was so unique and the talks we have shared over the years will linger in my memory forever. Please know that my thoughts and prayers are with you, Brian and your family at this time and I hope to see you soon. I am so sorry I could not be there for you.

“ Doris, Gina, and Bryan, we feel as we have lost a true friend. Diane was so good in helping us get our 50th Wedding Anniversary together at Furman. She was our neighbor as a young girl on Traynham Blvd. She was so kind and loving. THE WORLD HAS LOST A WONDERFUL PERSON, BUT HEAVEN HAS GAINED ONE GREAT SOUL.... “ Dear Gina and Brian, just a quick note to tell you how sorry I was to learn of your Mom's passing. I went over to the Willows and told Mother this morning and she said to express her kindest sympathies also. Your family was an important part of my childhood and young adult life, your Mom and dad were good neighbors and always treated us very well. I will never forget how good your Mother was to mine..about looking out for her and helping when we weren't there. I am a better person for having known both your parents. All my love and prayers.

“ Dear Gina & Brian,

I know you two do not remember me but your mom and dad were precious to me. When they would come in to Bakers Pharmacy long ago, they always made my day. The love they had for each other was beautiful. They both had a love for life and people. They always had a way to make you feel good and have a good time when they were around. They are now together, and with their Lord and Savior for eternity. We will soon be with them again. You and your family are in my prayers.
