“ Theresa, Chet, Geneva, Greg, Ken, Kim, and all, You are all in our thoughts and prayers. Remember the good memories....those can never be taken from you. Also remember Our loved ones are never truly gone, they live forever in our hearts, in our memories, and in our prayers. Marie would want you all to go on with your lives! She loved ALL of you, never forget that. Be sure the younger ones hear your fond memories of her. That way she will always be with you.

Theresa, you need to put some of your memories down on paper or in the computer for those who will never know Marie as we did. Make a scrapbook with those memories and pictures of her. Most of all remember the good times, the special times you shared and hold them close.

May God hold you all in the palm of his hand and keep you!
