“Doris was a beautiful lady both inside and out. After her husband passed, she lived out the rest of her life doing everything she could to make sure her children and grandchildren were happy. I loved you Doris as if you were my second mother and your memory will live with me until I leave this earth. God bless Vonnie, and her entire family.

“We took Tommy to see Doris at the Rehab center..they laughed and had a great time talking. They sure loved each other. You could see it when they looked at each other. But to know Aunt Doris is to love her. She will be greatly missed.
