“ My Miss Doris, how I loved her. I wouldn't take her back because I know she is truly happy now, but oh how I miss her. She always said "Good Morning Darling"! as a big smile came across her face. We had so much fun, laughing and talking. I have no doubt I made her last years happier. She told me so all the time. Doris, you were not just my patient...you were my Friend and I love you so much...Think of me Wady, cause I will be thinking of you.

“*Tammy and Family, I am so sorry for your loss. Miss. Doris was a great lady. I enjoyed the few times that I got to spend sitting with her when my mom couldn't. If it was just sitting there talking and cracking pecans or the few times we got to ride in the car to go to the doctor she was always so sweet. Anytime I called my mom I could hear her in the background wanting to tell me hello and she was proud of me! She will be missed!!*
