“ Many years ago (in the early 70's) I worked at Wunda Weave Carpets with a young lady by the name of Pat Duncan. She spoke often of her aunt Doris and her uncle who had a store called the Handee Mart in Travelers Rest. I think I met them once, maybe at Pat's wedding. I also met her grandparents, Mr. & Mrs. Ivey. As I remember the family moments that she would share with us in the office, they all were great people. Funny now how that seems just like yesterday. If some of the family could convey to Pat that Gail Morgan remembers her and is thinking of her with love and I'm sending my prayers and deepest sympathy to the family. Love to all!!
