“ I am so sorry for the loss you are feeling. Dot was such a sweet lady, always smiling everytime I would see her at the Cabin she loved so dearly. I will miss seeing her ride up and down Pipe Line Lane in the golf cart. Trying to imagine what a great day she is having in Heaven. I'm sure she and Eddie Davis have been doing some catching up since she arrived :)

*Praying for you Jack & the entire family.

“ Dot has given Barbara and I many great memories during our vacations to Garden City Beach. We'll never forget her excitement every time she hooked a fish, especially if it was a flounder!! The condo pier is going to seem like something is missing without her.
