“ I am so saddened to hear of Dot's death. I always thought she was an incredible woman with a great sense of humor. I remember many conversations under the "Umbrella" tree and I always had to pay close attention to what she said or there would be a little something "extra" interjected that would be missed! She was quiet a character and will be missed.

My prayers are will all of you...much love, Sherry

“ I learned with great sadness this morning of the passing of cousin Dorotha. She was the source of family information after my mother and father moved to be with us in Mississippi. I think Dot was my mother Frances' favorite niece on the Batson side of the family. I know they are rejoicing in their reunion and are at piece. I will keep the family in my prayers.
