“ Although I haven't seen Dot in a couple years, I will miss her dearly. She was an aunt at all times, but she was a friend and mentor when I needed. I was blessed to have her in my life. There is a celebration going on in Heaven right now. Montez, Sarah, and Patti have met her on the road to the Golden Gates. MiMi and PaPa are welcoming home another child. Roy will be there to guide her also. But, of all those she will see, I remember talking to Dot once of when she would see Bud again. That is the greatest feeling, knowing that they will have their reunion.

Rest now my loving Aunt! No more pain, no more sorrow! Rejoice for you are home now! I love you!!!

“ I loved Dot dearly. I got the privledge to meet Dot in 1994. My sister Lisa and I cleaned her house for many years. I later started a family and had to quit cleaning, but my sister Lisa continued and helped take care of her with what ever she needed when she needed until her death. Lisa and Dots relationship grew into a wonderful relationship over the years! We lost our mother in July 2009 and Dot was there for both of us. I know I will miss her very much and I know Lisa will miss her even more. She was an EXORDINARY LADY.
