“ There is not enough space to write all of the memories I have of Doug. He was just "special". Always a smile on his face. He would take on any challenge and succeed. Doug had a lot of love in his heart, and you knew how he felt, just simply by looking at him. His battle with his health over the past 7 months took a toll.and eventually him. Doug knew he was loved, Judy spent everyday at hospitals and rehabilitation centers with him. Encouraging him and praying he would get better. My prayers for Doug have been answered, he is at peace. I pray for Judy, and I know she will share all of her memories with their grand daughters. So they like me, when they hear his name, have a little smile.
