“ Bobby and family, so sorry for your loss. I worked at Burlington in Ireland in the late 70's early 80's. I have very fond memories of Doug, both at a personal and business level. We spent quite a bit of time together in Limerick, London and Frosinone, Italy and I remember some very hospitable times with yourself and Doug in London (Wimbledon?) and (I think) USA. Doug was a gentleman and a very savvy IT guy. He treated my wife and I to a few dinners in Limerick (!) and she is also saddened by his departure. God rest his soul. “ Tim and I were so sorry to learn of Doug's passing. Working with Doug at Burlington Industries was always a pleasure for me as he was a very special person - a fine gentleman, intelligent, fun and challenging to work while discussing program changes/updates, and possessed such a good sense of humor. Tim, was from New Orleans/Metairie and had attended Brother Martin/Aloysius and LSU, always enjoyed talking with Doug and so good- naturely discussing the rivalry that had existed between their schools.

Our thoughts, prayers and sympathy are with Bobbie and the family.

“ I was so sorry to here about Doug's passing. I worked with him for years at Burlington both at the Asheboro and 3330 locations.

He was so kind, eager, temperate, and intelligent, and one of the finest gentleman I had the privilege to know during my years there.

I have no doubt he leaves a legacy of deep love, wisdom, and graciousness to all he knew.##imported-begin##Mac Moss##imported-end##

“ Bobby and family,
I promise to continue praying for y'all during this difficult time. Doug was such a good, thoughtful man. He always asked about our sons, since he knew they were U.S. soldiers in Iraq and Afghanistan. That meant a lot to me. I'll never forget Doug's loving concern. God bless you all.
