“ Dwight was our next door neighbor, friend, gardening buddy, honorary family...we loved him. It's hard to believe he's not with us anymore. I can still hear his joyful laugh and teasing the kids about okra and zucchini.

Dwight always came baring gifts of veggies or Charlene's wonderful baked goodies. I will miss our talks in the driveway and just seeing him working in his yard. I can't say enough about him.

With love,

“ The thing I loved about Dwight was his love for the Lord and that voice! That man could really sing! John and I will miss him but know that Dwight is singing in God's choir now and is free from all pain.

How we love this man and his precious family! He had such a servant's heart. He gave freely not expecting anything in return. He will be greatly missed, but we rejoice that he is perfectly healed and singing for Jesus in person!

“ I had the honor of working with Dwight. We have been co workers for many years and he became a good friend. Two things about Dwight will always stand out to me. He was one of the kindest men you would ever meet and loved the Lord! You will be missed my friend but it truly helps ease the pain of your absents by knowing you are in Heaven with no pain celebrating!
