“ *I am blessed to be a nephew of Earl (Duck). I will always remember his sense of humor. I will also remember how he had a heart for people. Although he might have had a quiet way of showing it, he had a heart for others. When his job sent him to York (SC) he would always stop by my grandmother's house in York to check on her. I will always be grateful for him doing that even though he did not have to. Praying for Fay, Heather and Betsy! I love you!*

“ *I worked with Earl on and off for 28 years or so. He was a friend and counselor at times. I respected him, and sometimes I thought that he he knew everybody in the State !  
I was very saddened to hear of his passing.*
