“ *Betty and Aunt Mae, I've just heard of Eddie's passing, and I don't know if you still will get messages through this site. I want you to know how sorry I am he is gone. He was a real treasure and my cousin and I had a blast both as little kids and in our early 20s. He was such a hoot to be around, and the world is sadder for him not in it. I know how fast melanoma can be as my husband's brother died of it a few years back. I am so sorry for your loss, and for mine too.*

*He was diagnosed with stage 4 metastatic melanoma at the end of January. We were devastated by the news of him having 5 brain tumors, a spot on the lung and abdomen. We are still devastated how quickly he was taken but praising God he does not have to suffer. Thank you for your prayers! He was indeed a great man! 🧡*

“ Eddie always had a huge smile on his face everytime I saw him. And he would go with playful banter to try and get me going. And usually I would fall for it and then he would laugh . That is how I always will remember Eddie by, his smile. Betty and the girls I am so sorry. I had no idea that Eddie was sick. I am so sorry again. Love & prayers, Charlene VanOrsdale
