Tribute Wall

“ *Becky,*

I am so sorry to hear of your loss. I have fond memories of Edith when I was growing up across the street from your family in Slater. What wonderful memories they were!. My family and I adored Billy and he used to come to our house every day. He would say, " I will go tell my Mama if I can come to your house." He was probably about four years old.

My deepest sympathy to you and the other members of your family..

*Love,
