“ My family and I hold the fondest memories of Edith and Henry McCarrell . We became members at Tyger Baptist Church (49 years ago) and got to know them as church family. We're the "Land girls", Kathy, Wanda, Judy, Darlene and Brenda, and our mother Lois. Edith and Henry were both wonderful, kind and loving "pillars" of the church. Henry quiet, and Edith more outgoing, with a beautiful, kind smile and encouraging words at just the right moment. She had a peaceful inner presence about her, and an intuition that somehow gave her insight to exactly what you were going through without asking. Occasionally she would discretely put money in my pocket or unanimately send it by mail with no acknowledgement (I know it was her) to help a struggling college student, pinching pennies for gas money to come play the piano. I know she did the same for Judy. More than money, was the unconditional emotional support I could feel and always count on. Edith was the gift God put in my life just when I needed her. I'm sure she was the same gift to many others. She was a humble example of love, graciously bestowed upon all of us. I will hold her in my heart for the remainder of my life and do my best to live by her example. If God is love....she was love incarnate.

*She will be missed. Prayers and blessings go out to her family.
With Sympathy,
Wanda Land and Family*

“ To the friends and family of Ms.McCarrell ...I am sorry for your loss but at the same time it's comforting to know that Ms McCarrell is no longer in any pain ,has went home ,and is with the lord .I didn't know her a very long time but I was one of her caregivers/Medtech at shepherds care and fell in love with her personality immediately when I came to work here a couple years ago ...Were not suppose to have favorites but she was special to me and many of the other caregivers and med techs and shepherds care family ...She always made me laugh and put a smile on my face with her witty words and funny sayings ...She will be for sure greatly missed here .She had strong faith and is with the lord now tho and that also makes me smile. Thank you to her family and sons that brought her to shepherds Care and allowed me the pleasure of knowing her and learning from her.

“ We all loved Edith and going up to the farm. Edith always made us feel welcome and special. Most of all, I loved her for how she loved my Mom! Mom always knew Edith was there and loved her. Heaven gained another Angel.

“ My mom loved Edith like a big sister. She talked about how Edith and Wayne always took her on vacation with them to Florida.

Charles an Neal, I know you will miss your momma dearly. You can take comfort knowing she was certainly a fine christian lady. Everyone that met her loved her. Ron Henderson
