“ *Barbara and Arnold, I am so sorry for your loss. Such great memories of your Mom, she treated me like one of her own, for the years I lived in TR. It maybe strange, but for some reason, I remember one of the first sleep overs at your home, she made breakfast for us, and I thought she made the best toast ever, lots of butter.*

I will keep you and your family in my thoughts and prayers during this difficult time.

Love you both, Teresa Riddle
