“ Aunt Edna, so many memories! All the times you had us over to swim and loaded your kitchen table down with food. Ray in the living room yelling something about Roll Tide. Renting movies at your video store, and earning money from cleaning. Birthdays, graduations, holidays, and more! Remember the last time I came to swim, the day after high school graduation? We were out of charcoal, so I went to the gas station. A truck's brakes went out and it plowed into the gas station when I was standing at the counter. It stopped half an inch away from my knee, with a circle of glass around my feet. I climbed out over the roof of the truck, without a scratch. Those are the kind of miracles that affirm my faith, which gives me a sense of peace, knowing that you're without suffering. Love and miss you <3 Wheezy.

“ *My precious sister, Edna will be truly missed by me for the rest of my life ! We talked on the phone almost every night! I will always hear her say, “Hey Lou, whatcha doing?” She is the most loving, caring, concerned person and if you had the privilege to have known her, you were truly Blesses! Everybody loved our Edna ! She was a giver and not a taker! My heart is so heavy ! She loved her God, her family, her Bethany church and her Preacher Jeremy Chisom!*

*We are all on our way, keep watch! Love you with all my heart ! Lou.*

“ *Edna’s obituary doesn’t mention that she was sweet, funny and generous to a fault. She would give you the shirt off her back and stuff her last \$5 in your pocket. She loved without reservation or judgment and had a smile that would light up the room. She did not deserve the suffering that she endured as a result of the obscene disease that ended her too short life, and that is not what those who knew and loved her will remember. We choose to think instead about happy times when she hosted everyone at her backyard pool and was young and beautiful. We believe she is young and beautiful again, in the presence of our Lord and at peace in Heaven. We will miss her but we know we will see her again. We love you, Edna, even if you did kick your twin in the head on your way out into the world. Until we meet again, love Ed and Donna.*

“ *Dear Kris and family,  
We are so very lucky to have had her as our second Mom for over 43 years as she helped to raise us and watch us grow . We will always remember the vacations, birthdays, graduations, holidays and don’t forget the backyard pool days! The kids are blessed to have her as their Grandmomny. She will live on in our memories forever and be a part of us always.  
Rest in eternal peace Ma-ee.  
Love Pam and Ray*

“ Mrs Edna was a wonderful lady, I enjoyed our talks at Bethany and even on Facebook she always told me she was praying for me and I truly believe that, I know Mr Ray was standing at the golden gate waiting to welcome her there. I am praying for Kris and Jennifer and the rest of the family, may God give you peace during this time
