“ Dear Family,

*We want to offer our sympathies in the loss of your dear loved one. Ms. Edna touched so many lives over the years and she most assuredly touched ours a couple years back. She always offered a smile and a word of encouragement when we saw her. We know that her struggle was a hard one but we also know that she was ready to go see her Lord. We know that the days ahead will be hard on you but we ask that you seek your comfort and guidance in the one that she always looked for hers from, God. He will see you through. May God Bless you and know that our prayers are with you in the days ahead as well.*

*In Christ,*
