“ *My thoughts and prayers goes out for this family. Love you all. Libby will surely be missed. God needed another angel to help watch over us and he picked a good one. His plan is always right even though we don't see it, but he knows what is in store and how all of this will glorify him.###imported-begin##Gail Craig###imported-end##*

“ *To Libby's beloved family
I was very sad to learn of Libby passing. We were classmates in high school and after reconnecting four years ago thru e mail, we have shared many happy and sad events. Libby was devoted to her family and so proud of them.
