

Eric Anderson

September 30, 1980 - January 25, 2026

Eric Anderson, of Travelers Rest South Carolina is survived by his parents, Ruth and Robert Anderson, brother, Tyler Anderson, and partner and best friend Tina Powell. He is also survived by one grandmother, Frances Beacham Anderson, and many other family and friends.

The best thing you could say about Eric was that he was a gentle soul. He was kind, very intelligent, and determined to outwork everyone around him. He had an amazingly sharp wit. His texts and emails were always strange and entertaining. He would frequently call us and ask if there was something he could do for us. He usually wound up fixing our computer or our phone. One of his favorite things was to buy laptops and televisions from thrift stores and repair them and then give them to someone. We have inherited a condo full of computer parts. (His other favorite thing was shooting pumpkins at Tina's house.)

We'll miss him eating Sunday night dinners with us. "Your presence we miss, your memory we treasure."

A memorial service will be held on Friday, January 30, 2026, at Travelers United Methodist Church beginning at 3:00 p.m.

“ Eric was the golden thread in the fabric of our work team. Not only dependable and responsible; He brought joy to our hearts with his always upbeat, positive attitude. He was courageous when asked to step into a vitally important quality role and did so with incredible success. He led by quiet example, never demanding yet always leading the right way. We miss his smile, joy, football talk and sense of fun and count ourselves lucky to have shared his light.

“ Eric was an amazing friend, he took over for me when I went out on maternity leave but while I was still working, he was so helpful when I needed it, always cut jokes and was most definitely the light of 2nd shift. It won't be the same without him there.
