“ *Having known Eric ever since he was a newborn baby, I have to say he was one of my favorite people. Seeing him always brightened my day. Eric was always a caring, loving person and always had a hug to share. When he worked with us as a teenager he was always ready to help out on any project and we shared many a laugh when unexpected things happened. Those days are treasured memories. My prayers are with Earl and Karen and Mark. Losing Eric so suddenly was a shock to all of us. May the happy memories of the years past be a comfort to you. Love and sympathy to all of Eric's family.*

“ Eric was one of my best friends in High School. We lost touch for a while after graduation but I found him on Facebook a few years ago. We talked often. He was a great person to talk to and a great listener. He was a true and wonderful friend and I will miss him dearly. Sending prayers to his family and friends during this sad time.

“ *Earl and Karen and Mark I am so sorry for your loss. I loved this young man and this is such a shock/ . I remember him getting off the school bus when he was little and that smile and eyes stole my heart. He was so friendly. Just a couple of weeks ago he said that he was going to get Karen to bring him to see me. He will be missed. Praying for all of you. You are in my prayers. Love all of you Marlene Sanders*
