*Eva found my mother and I roaming on a restricted floor of the bridal bldg in NYC in 1987. Once she was sure we were just lost, she invited us into her showroom and said 'one dress'. She had me step into 'the dress', chose a veil, and the rest was history. It was spectacular! Hand beaded from top to bottom. And we have the best story to pass down generations along with 'the dress'.  
Rest in peace beautiful artist! God Bless You!*
