“ To all you cousins, second cousins, and the younger ones, please know you have my deepest sympathy. I loved Aunt Ebe very much. She was a good aunt, sister, mama, grandma, and great-grandma, as you all know. Sorry I didn't visit her like I should, but after Tony's sickness and passing, it is still very hard for me. I'm sure Tony has found her by now and she's busy making him that banana pudding! He loved her too. I pray God provide you all with the strength to get through this.. He has a plan for each one of you. Listen and follow Him. Love to you all, Tina.

Aunt Ebe was a kind and loving person. I remember her coming and taking Mama to the store. Her fussing at Daddy for the way he would be at times. She will be missed. I hope God gives ya'll the strength to get through this. Prayers and love to the family.

*Joann and all the family,
I loved mama Evelyn very much! She was always the same always
kind and loving with a smile on her face. I can't imagine the heartache
each of you feel but my heavenly Father knows. I pray that each of you
will just feel His presence and His loving arms around you during this
time and in the weeks ahead. I thank the Lord we who know Him will all
be together again with Mama Evelyn and all our loved ones who are
already there one day soon.*
