“ Your Mom was one of my Sunday School and VBS teachers at Slater Baptist Church. I will always remember her! She touched many lives! We know she is having a wonderful heavenly reunion with loved ones who have gone on before and she will continue to be your angel from above. I pray God will give you strength to endure these sorrowful days ahead and bring you comfort through all the beautiful memories of your loving Mom.

“ May the Holy Spirit fill the hole in your life, comfort and encourage you and provide that peace that surpasses all understanding. May your mother rest in peace having heard those wonderful words well done my good and faithful servant. May she reside in that mansion prepared for her where there are no more tears pain or suffering for eternity. May her soul rest in peace and she have been in heaven an hour before the devil knew she passed from this life.
