“ we said a prayer for you today, God must have heard- I felt the answer in my heart, although he said not a word, I didn't ask for wealth or fame I ask he be near you at the start of each day, and friends to share your way. I ask for happiness for you in all things great and small- but it was for his loving care I prayed for most of all. ##imported-begin##benny, audrey staton##imported-end##

“ We will be thinking about and praying for your family during these difficult times. Losing a loved one, someone you cherish so much, is never easy, but you can be assured that she is not suffering as she was on earth. Put your faith in God - He will be there even in times when you feel that you are so alone. He will see you through day by day.

We love your family and will miss Evelyn.##imported-begin##Marie Patrick & Family##imported-end##
