“ *I will miss my aunt, my sister, my friend more than words can began  
to tell. I just listened to a song, "If You Could See Me Now", I believe  
this would be what Faye would say if she could. If you could see me  
now, I'm walking on streets of gold, If you could see me now, I'm  
standing tall and whole, If you could see me now, you would know  
I've seen His face, If you could see me now, you would know the  
pain's erased, you wouldn't want me to ever leave this place, if you  
could see me now.*

*We all need time to grieve, to sift through memories and come to  
grip with what has happened. We need tears, not for Faye, but for  
us as we realize that things will never be the same. We need to  
open our hearts to God and let His love heal our broken hearts.*
