“ I am so saddened to hear of Mrs. Lockaby's passing. Mr. Lockaby taught me in a couple of classes at Blue Ridge plus coached me in sports. Around 2010 I was honored to have met him and Mrs. Lockaby again at BR class reunions. She was such a wonderful person. I wished I had know her through the years when I was younger. Mr. Lockaby asked me a few weeks before he passed to be one of his pall-bearers, but I was unaware he had passed until a couple of days after the funeral. Anyone that was lucky enough to have known both Mr. and Mrs. Lockaby should be thankful for the privilege.

“ So sorry for your loss. She was my favorite teacher at Blue Ridge and had a wonderful sense of humor. I would run into her occasionally in TR and we would have a great laugh about how bad I was at Algebra. Such a great lady and made lasting friendships with her students!

“ My fondest memory of your mom is from the children's music time before going to our Sunday School classes at TRUMC in the late 1950's. I still remember and sing those songs...such as "Climb Up Sunshine Mountain", "Into My Heart" and "I've Got That Joy, Joy, Joy Down In My Heart". May that "Peace that passes understanding" that she taught about to many children, bring you comfort now.
