“ Aunt Frances was a big part of my life when I was young. Summers brought us up from FL to spend time with Mother's family. Mother loved to be with her family! I have many great memories of Aunt Frances and the rest of the family, going places and having a great time. I know Aunt Frances is having a wonderful time with her family in heaven now, and we will be there one day with them all again. My prayers are for the family and loved ones left behind. I know you will miss her. May God comfort you and bless you.##imported-begin##Jackie Herman##imported-end##

“ My deepest condolences to the family. I remember my Aunt Frances best when I was a child. We would visit there in the summer and they were a young family with two small boys. I always thought she was so beautiful, especially her smile. She was so much fun and energetic. I can remember being at her house and she was singing along with country radio while doing housework. She had a good influence on my life choices. I'm glad to think of her now in heaven, happy, young, and beautiful with her family and savior, Jesus. I know I will see her again.##imported-begin##Tessie Merritt Warnock##imported-end##

“ *The Ferguson home was where many weekend gatherings took place. We would come up from Florida in the summer and look forward to visiting with many relatives there. Aunt Frances always had a large garden and the cookouts were some of my lifelong memories. When I married, she welcomed me and my new wife with a wedding gift. I know we will see her again.* **##imported-begin##William and Jeanine Merritt##imported-end##**
