“ Hello Deedee: I am sorry to hear about Franks' passing. I know you will miss him dearly, for he was too young to leave us. But we both know he is waiting in heaven to see us all again one day. Please know that you and all the family are in my prayers and if you need anything be sure and let me know. I am sorry I did not make it to the services; my job had me pulled away.

Sherry said the services were beautiful.

“ Mr. Keneth call me and told me about your loss. I passed on the information to the Club and everyone wishes to send their condolences. We will keep you in our prayers. It seems only a few years that Frank, Courtney, and Lance were with us at the club. I remember there was a good group of people that came over from Dead-eye's club. Mr. Dawson Baker, Phil, Becca, Ray just to mention a few. Having a club since as long as I can remember has ment a lot to my family and meeting and spending time with people like Frank is what it is all about. I went to a funeral the other day for my sons Boy Scout Leader. The preacher talked about what he was going to do when he got to heaven. He would sit down and talk to Jesus and personally thank him for being his savior, he would talk to Moses about parting the Sea. I know that Frank will do some of the same but I am sure he will take a little time to turn the hounds loose and run a big buck. We remain a small family club and as always welcome you to visit with us. We will continue to keep you in our prayers.
