“ Fred was always so good-natured and a fun conversationalist but that was not his most admirable quality. He loved God and wanted others to know him. Fred always prayed for me and would follow-up his prayers by checking in to see how things were going. Mary and Fred, together, were such wonderful Christian examples. Mary, I am thinking of you and will ask God to give you comfort and direction. Someday all tears will be wiped away and we will all rejoice again. Louise Howell
