

Frederick "Fred" McSwain Haley, Sr

May 23, 1941 - December 27, 2020

Mr. Frederick "Fred" McSwain Haley Sr., 79, of Greenville, passed peacefully on December 27, 2020, at his home, surrounded by his loving family.

Born on May 23, 1941, in Hartwell, GA, he was the son of the late William Harold "Bill" Haley and Kathleen Mauldin Haley Brewer. He was a commercial contractor and of the Baptist faith.

Fred was proud of his accomplishments he earned in his sports career. He was a four-year letterman in football, basketball and baseball, which resulted in his induction into the Hall of Fame at Hart County High School in Hartwell, GA.

He received his BA degree at Newberry College where he also earned many sports accolades. Fred was inducted into the Newberry College Athletic Hall of Fame in 1987. He was a member of the All-Conference (1960-1963), NAIA All-District 26 (1961-1963) and All-State Teams (1962-1963) in addition to being named Honorable Mention All-American (1962) and 3rd Team All-American (1963). He was a four-year letterman and was named Most Valuable Lineman and won the Kirkland Blocking Award in 1964. He was a recipient of the Billy Laval Award in 1963 and was named to the Who's Who Among Students in American Universities and Colleges (1963-1964 edition). He continued his love of sports by coaching football at Macedonia High School and at Ninety Six High School where he was Athletic Director, head football coach and head girl's basketball coach.

He moved to Greenville in 1969, where he earned his Masters of Art degree at

Furman University. He was a graduate student and coached the freshman football team and became the varsity football Offensive Line Coach.

Fred also loved his career as a basketball official where he refereed many high school and college level games including the Southern Conference, District 6 and Metro Conferences. He was a tournament official for the NIT Post Season Tournament and Southern Conference Tournaments. He also officiated for the Global League NBA Farm Club.

He was instrumental in organizing a basketball team for the South Carolina Senior Olympics and was also a player/coach. He was most proud that his team went to the National Senior Games many times, winning the Bronze medal in 2005.

Fred was a permanent fixture at the Cleveland Street YMCA where he established wonderful friendships and on more than one occasion, would blow his whistle, which he claimed, "I never leave home without it!"

Fred and Mandy enjoyed traveling around the world together and his love of singing was evident as he would burst out in song at any given moment. His jokes and pranks will be greatly missed but his love for his family and friends will last a lifetime.

Survivors include his devoted wife, Mandy LeCroy Haley; sons, Frederick (Kip) McSwain Haley, Jr. (Kim) and Tap Haley (Jennifer); daughter, Lea Haley Bayne (Randall); four grandchildren, McKenzie Haley Mayberry (Connor), Mallory, Graham and Gracie, all of Greenville. In addition to his parents, he was preceded in death by two brothers, Bill Haley and Randy Haley and one sister, Sandra Haley Kerr.

The family would like to thank the Hospice team at Interim Healthcare with special thanks to Keila, Alisha, Christa and Freda for making Fred's final days comfortable and peaceful. Also, thanks to Palmetto Home Care Upstate LLC, and special thanks to Lenda for being a great caregiver to Fred.

“ Sorry to hear about the death of Coach Haley. Coach Haley made a big impact on a lot of young people when he coached at Ninety Six High School. I was the 'water boy" for the team for his first year of coaching at the school and he was always a great person and coach.

“ Words can never express the love & loss you all feel. Just remember ALL the memories, laughter & love you got to share. I will always remember the times you let our family (Jeff, Tiffany & Lexie) share in some of those memories (even when I made my grand exit) thank you. Mandy I am here for you 24/7 if you just need to talk or cry. I know the pain in losing your mate. Lea I was only 10 when I lost my Dad but even at that young age I knew I would never have anyone love me the way he did. A Father's love is different than the love of a spouse, family or friends. Lea I am so privileged to say you are daughter #2 & I am Mom #2. I love you so much & will ALWAYS be here for you. I only met Kip & Tap once but my prayers are for each member of the family.

“ Fred was a really good man. I remember many a day and night at their house eating his food and listening to his dry sense of humor. He was gracious to me and included me on trips to college basketball games as he reffed and then dinner afterwards. I felt completely comfortable lounging at the Haley household and that was because of him (and Mandy). Thinking of you all Tap, Kip, Lea and Mandy and the rest of the family.
