“ *Judy & Family,
There are no words to convey how sorry we were to hear of Gale's passing. There are many things that I'll always remember about Gale; her infectious smile, her sweet spirit and her kindness. But the main thing I'll remember the most is how much she loved God and always how she strived to always please Him in all that she did. She was always so kind to us and I have no doubts that she loved us and we certainly loved her. We talked much about Heaven and what it must be like and now she knows first-hand and now her faith has become sight. We love you and are praying for you. May God wrap His big arms around you and bring you comfort and peace that passes all understanding.*

*Much love,
