“ *Ginny & Brent, I don't know if you remember me but wanted you to know how sorry I was to hear of your father's death. My family lived across the street from you all when you lived on Canterbury Road in Piedmont. We would close off the road & you kids would ride your tricycle & shot fireworks. Please know my prayers are with you and your family & may you have comfort in the fact that your father is with his Heavenly Father.*

*God bless & sustain you at this time.*
