“ I am so sorry to hear of this loss. Gary and I go back to kindergarten. Mrs Jones picked me up and when I cried to stay home Gary would get out of the car and convince me we would have fun. He also protected me from bullies all through grammar school
I was going to leave him a HAPPY BIRTHDAY message and just discovered he had passed. I am so sorry we did not continue to stay connected

“ I've had the pleasure of working with Mr. Gary for many years at the school district. I can truly say he was a man that loves the Lord and people and had a special way with children. Especially special needs children. He will be deeply missed, my prayers and thoughts are with the family. May he rest in peace. Miss Linda

*Gary was my friend.
He was my protector,my chauffeurand my confidante.
We go way back even before Gary worked at Kevin Whitakers. We were working at Bradshaws Automotive in the early 80's.We were racing buddies. We affectionately called him Dad. He took charge and drove us to many race destinations.He kept us in line as best he could and we sure did appreciate it.
I will miss you but,Dad,I will see you again.Rest in Peace
Watch over me as I know you will. Love you always. Karla Blanton*
