“ *Thank you all so very much for your kind words. It is hard to believe our Beautiful Mama has been gone for a little over 3 months. We miss her so very much. Words seem so small compared to what she brought to our lives and many others. There are no words that could possibly express the deep pain and sorrow... I am so very thankful for the time she WAS here. We miss you Mama...*

When you see a lighthouse, butterfly or hear windchimes, think of her with us.##imported-begin##Robin Barrett Hand##imported-end##

“ We never know what life has in store for us, or what turns we take as we travel through it. But we know that your journey ended much too soon. The friends you leave behind are heartbroken, but the memories of you will remain forever. Someday we will meet again. Until that day comes, we will miss you terribly. But we take comfort in knowing you are in a better place.

It was our honor to have known you...##imported-begin##Chuck & Judy Sienkiewicz##imported-end##

“ I was shocked to learn about the sudden passing of your wife. I know it is really hard to take in all this at this time. Only thing I know to say is, I'm sure she is home with God. That in itself is comforting, but it's still hard to understand why this things happen. Keeping you and your family in our thoughts and prayers.
