“ Raymond, Linda, Joyce, and George,
My life has been so enriched by knowing Geneva and all of you. I am so thankful God let our paths cross. Your mother has been such a blessing and inspiration to me as she has to so many. May God comfort you as only He can. We can rejoice because we know where she is and that we can go meet her one day. What a reunion we will have! Love to all of you!

“ We must get home before dark Geneva often would say So God took her home before dark on her passing day. No more darkness in the place she now lives Christ is the light. Geneva will never experience darkness again. JESUS will forever shine so bright. But Geneva we will miss you so much but we plan to meet you again soon. You were always such a pleasant person that we learned to love so much!
