“ I am so sorry to hear of George's passing. He was quite a man with such talents! I have fond memories of meeting him and will always remember the time he played at my neice's late December wedding reception I hosted some years ago. Everyone enjoyed his picking and grinning and several of my neice's friends enjoyed playing with him. It was a swell time. I know you will miss his presence very much; but take heart as he is in the Presence of the Good Lord. May God Bless you all. Much love and prayers.

“ I knew George for 30-35 years. What a character and someone I considered an enduring friend. My life was better having known him. Visited with him at Rosie's about a week before he passed and he asked me to hold his hand while on sat on his bed. It meant something to me I won't forget. I'll miss him. Mike MacKinnon
