“ *My Uncle Gerald was clearly always a family man, who loved his wife and kids. It is certain he'll be missed, especially by his wife, and by his children, relatives, and friends. Gerald was always a pleasure to catch up with at family gatherings. He was always warm and affable and eager to discover how I was doing.*

“ *My dad was the perfect father for me! He knew what to do when I strayed. He was patient with me. He was supportive. And he loved his family more than anything. I know he is rejoicing in heaven with his parents and those that passed before him.*
