“ I've been trying for a few days to find the right words to say...none seem sufficient. Your Mom meant the world to me, I can only hope I made her days half as bright as she made mine at Oakmont. I love her and will miss her dearly. I have been blessed to see a family full of love for each other and especially for their Mother/Grandmother/Great-Grandmother. You all are in my thoughts and prayers...##imported-begin##CJ Poulin##imported-end##
