“ *Harold and Family, I just saw her obit. and I remember when she worked at the Handee Mart on Buncombe Road. I use to love to go in the Handee Mart and talk to Gladys. My husband and I also knew Harold. We lived over for years. I would go by there after I got off work everyday if we needed anything, She will be missed and I know their is another angel in heaven. I will be praying for your family. Cathy Mills*

“ Dear Gladys, For the past 48 years you have been more than a mother-in-law, you have been my friend. Your oldest son Gene, my better half, thinks no one could cook, iron, clean or work harder than you did. I agree, and I stopped competing long ago. Our talks every week kept us both up to date on the family, and often a smile could be felt, even through a phone line, and for that I am grateful. I am thankful your pain is gone now, and you are at peace. I love you, Linda
