“ To the Baker's family, my thoughts and prayers are with you. May God and the loving memories of yesterday bring your comfort and strength today.

Greg was a great asset to the Ashley Heights congregation. His song leading and sermons was very edifying. He was our (self appointed) facility manager. His engineering skills kept our HVAC system and baptistry in excellent condition. Whenever I was approach by a brother or sister about the temperature in the building, I tell them to see brother Greg before they touch the HVAC (including the thermostat).

What I will always remember about Brother Greg is his quiet but strong personality. He will react to situations in a calm thoughtful matter; his reaction and demeanor is the same in spiritual or non-spiritual matters. It was a blessing to know him.

“ My brother, Greg, started his work for the church as a child, signing up the most children for Vacation Bible School. He was baptised into Christ on July 4th, 1976, at Augusta Road Church of Christ. The happiest time of Greg's life was when he was a member of Ashley Heights Church of Christ, where he regularly helped with preaching and leading song services. I will truly miss him for the rest of my life.

“ I am so sorry for my Uncle Greg's passing, I know he will be intensely missed. In all my interactions with my uncle, he always seemed to approach matters in a thoughtful, stoic and logical way. Greg was always kind to Me, my wife Heather and our three sons Liam, Owen, and Ellis. He instructed me on on how to use a multimeter and on every occasion when he saw my boys, he would bring toys for them. I find solace in thinking that he was welcomed to glory by my father Brent, and my grandfather Bill. Much love to Uncle Michael and Nana, you are not in this alone.
