“ *Today is leap year and you would be 60. My heart is sad that you are not here to enjoy your grand-daughters but I'm happy you're really in Heaven with Jesus and all our other loved ones. Happy Birthday Greg!!! As children, we were very close almost like twins; I miss that sweet boy who made me laugh. You had an uncommon love for animals and I had thought you would have made one wonderful veterinarian. If there are animals in Heaven. ..I'm sure you take care of many. Thinking of you everyday!!! I love you so much!*

“ *It's a shame that the only memory I have of Greg is having snowball wars in mid to late 60's. :( Sad sad world that we stay so busy, that we have to wait to see loved ones until we get to Heaven. Thank God I have that option. Have fun until I get there Greg!*

*Brenda,  
We are so sorry to hear about Greg's passing. He was a sweet man and always had a kind smile and would always speak when we saw him. I know this is a very hard time for you and you're family. Please know that we will be praying for you that God will just let you feel His loving arms around you and give you grace to get through this time of such heartache and a great void where Greg was in you're life. But also knowing that you will see him again one day and he will be whole.

I know you would be so proud of him. I miss you so much. There are no words to express the void in my life. Please hug Grandma Lyday for me.*
