“ Hailey was a precious child. She would frequently stop by the health room just to say, "hey." She would joke with me and tell me I was old because I still liked Facebook. She said I needed to upgrade to Insta or Tiktok. She always made me laugh. I loved that sweet girl.

“ Heartfelt condolence, love & prayers for God's comfort go out to Jeremy & Nicole as well as the Grandparents and those who were blessed to be a daily part of Hailey's short span in this world. We did think of her often, especially since my granddaughter & another nephew were born in the same week. I know she's with Jesus & never to feel another pain so let's be first comforted with this knowledge. God bless you all.

“ My favorite memory of this beautiful little girl was when she was around 4 or 5 years old. Hailey wanted a soda and we weren't close to a store so I shared my diet pepsi with her. After that day, when she referred to me, she called me "that diet pepsi girl". I loved that and loved her. Fly high, sweet angel. You will be forever in our hearts.
