“ *I am very sorry to hear about Harold's passing. I have been friends with Harold and family for many years. Ever since Matt played Little League Baseball. The whole family became my friends ever since. I would see Harold or someone in his family out at a store or something and they always spoke and were always very nice people. We will see Harold one day again and in Heaven he won't be in that sick body no more but will be in a new body. My prayers are with the entire family. Rex Lance*
