“ *This man meant the world to me, not only was he one of the best friends I ever had, but I considered him my brother. Many an hour spent mending fence, wrangling horses, and artifact hunting. Harold was a great man, with a heart of gold. He taught me what true friendship really meant, he was always there when I needed him, as this was his nature. I love and will miss you my brother. You were one of a kind. Please keep his wife and family in your prayers, this was a great loss for all of them I know, as is for me as well. Godspeed my friend....(Flintkicker) may you enjoy your wings... Love always T. Burress*

“ Mr. Springfield took me on my first Adventure Arrow hunting very recently he was an awesome guy and taught me a lot in those few hours we spent together. I was very excited to take him back but unfortunately time ran out. Included below is a couple pictures of the arrowheads I found under his guidance. RIP
