“ *Darrell and Larry and the rest of the Reid family. I was very sad to hear of your dad's passing. I have not been through this yet and can only imagine how tough this has been for you. Try to keep in mind he is in a better place now without pain. I know you all still have special memories to always take carry with you.

Dearest Angie & Family

*In difficult times,
It can be hard to find
The right words to say,
If any can really be said,
To sum up the value and
the loss of a loved one.*

*I am glad I had the pleasure
To know such a man of value.
Though we had the limitation of time,
We still communicated and got to know each other. And I will take
away the memory of knowing him as a kind and gentle man, a man
of peace.*

Gene will be missed by all who knew and loved him.

With my deepest thoughts, and love, for all of you,

Jerry##imported-begin##Jerry Lawrence##imported-end##
