“ Just read that Hazel passed yesterday, sorry to learn this but 95 is a long life. Kathy my sister, June Batson Goodwin grew up with her and asked about her often. Just a few weeks ago she mentioned she would like to come down and visit Hazel (she lives in Raleigh, NC). Sorry we didn't get to see her, but will always remember your family, not many members of Thomas & Rebecca Batson left only a few cousins. My condolences to the Jones family. Dreugh Batson

“ Aunt Hazel was like a second mother to me and my siblings. Anytime she came by our house, we thought we must go home with her. It did not matter that she already had 4 of her own. We played in the creek, roamed the woods, rode the horse, and picked berries. She holds a special place in her nieces and nephews heart and will be forever loved.

Thank You Heavenly Father For Gifting Us With Her Presence, And Memories To Be
Treasured Forever!

She was one amazing lady. I can still see her sweeping in Jean's "hair It Is" shop when I would go there to get my hair done many years back. I hope you are well, Brooke. love you!

Remember her from Mt Tabor Church when I was growing up. She was a neat, pretty sweet lady.
